

“I have been working on the Foundation Apprenticeship course for the last year and enjoyed the work in the classes. It’s been good to be in a classroom with my friends learning about skills involved in health and social care”

Emma, Foundation Apprentice

“Working in a care home has given me a huge amount of confidence as I have spent time working with different staff groups as well as getting to know the residents. I have enjoyed my time doing weekly activities with them and my favourite has been the reminiscence quiz, it was special hearing stories from their past”

Thomas, Foundation Apprentice

## Foundation Apprenticeships

If you have drive, commitment and passion for learning, then we have a place for you.

**A Bon Accord Care Foundation Apprenticeship:**

- ✓ Is on the same level of learning as an SQA Higher (SCQF level 6) and sits alongside other school-based qualifications as one of your senior phase options.
- ✓ Lasts for one year.
- ✓ Gives you valuable work experience combined with theory, training and skills development.
- ✓ Enables you to work towards a nationally recognised qualification.
- ✓ Can lead straight into a job, further study at college or university, or a fast-track Modern Apprenticeship.

It's not just learning.

It's learning to succeed as a Bon Accord Care Foundation Apprentice.

What qualifications or units will you work towards to achieve this?

Each Foundation Apprenticeship framework contains the following components:

- A National Certificate (NC) or National Progression Award (NPA) – an industry recognised qualification which is taught within a classroom environment;
- Selected Scottish Vocational Qualification (SVQ) units – developed through National Occupational Standards, the units are completed within a work place environment.

What do you get at the end of your Foundation Apprenticeship?

- A positive work experience with full support for your future career pathway;
- Substantial real-life work experience to boost your CV;
- National recognition across Scottish colleges, universities and employers;
- Achieving four SVQ units related to your work placement, recognised by employers;
- Experiencing work in the health and social care sector.
